

NIH Research Funding Symposium

Imaging, Therapy, and Data Science

Monday, July 26, 2021

6:45 – 8:00 PM EDT

Meet Program Officers (POs) and Principal Investigators/reviewers and get their insights into the NIH funding process, new initiatives, and recently available data resources.

Moderators:	Amit Sawant <i>University of Maryland</i>	Carri Glide-Hurst <i>University of Wisconsin</i>	
Panelists:	Ceferino Obcemea <i>NIH/NCI</i>	Behrouz Shabestari <i>NIH/NIBIB</i>	
	Amit Sawant <i>University of Maryland</i>	Carri Glide-Hurst <i>University of Wisconsin</i>	Issam El Naqa <i>Moffitt Cancer Center</i>

Program Schedule

- 6:45 – 6:50 PM:** **Introduction to session and housekeeping**
Presenter(s): Amit Sawant and Carri Glide-Hurst
- 6:50 – 7:05 PM:** **Update on the latest NIH funding initiatives in Imaging and Therapy, followed by an overview on NIH-supported publicly accessible data resources**
Presenter(s): Shabestari, Obcemea
- 7:05 – 7:20 PM:** **Expert advice on submitting grants focused on AI/DL – Necessary elements and avoidable pitfalls**
Presenter(s): Issam El Naqa
- 7:20 – 7:35 PM:** **Panel Discussion with audience participation**
- 7:35 – 8:00 PM:** **PO+PI/reviewer breakout sessions**
We will have three breakout rooms where we will pair a PO and a PI/reviewer. Audience members can cycle through the rooms to ask questions specific to a topic, specific to an announcement, or related to their proposal ideas.
- Imaging Room:** Shabestari, Sawant
Therapy Room: Obcemea, Glide-Hurst
AI/Data Science Room: El Naqa
