

Not Feeling Well? COVID-19 SAFETY PROTOCOLS

If you're not feeling well, we ask that you take care of yourself by taking appropriate measures for your safety and the safety of others. We ask that you not return to the meeting until you test negative for COVID-19.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

Fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, or diarrhea

Please see the list of local pharmacies and urgent care facilities for testing and medical assistance.

If you test positive:

Please notify Mariana Gallo, Director of Meetings and Programs at AAPM, mariana@aapm.org

- If you took a rapid antigen test and test positive, we suggest you take a PCR test at a local Urgent Care.
- Please do not return to the meeting, convention center and/or meeting activities.
- Please quarantine in your hotel following [CDC guidelines](#).

If you test negative:

- If the test is negative and symptoms are gone, you are welcome to return to the meeting.
- If the test is negative and you are still showing symptoms, we ask that you use your own judgement when deciding whether to return to the conference or not.
