For Your Safety And Protection

IN FIRE EMERGENCY, DO NOT USE ELEVATORS. USE MARKED EXIT STAIRS.

WELCOME TO THE HYATT REGENCY GRAND CYPRESS
We are concerned with your personal safety and the security of your property. Please familiarize yourself with the following suggestions and information. More information is available at the Front Desk.

DOORS
The hotel has provided your room with a night latch and a dead bolt lock. We suggest fastening the safety device and double locking your door when you are in your room.

KEYS
For added security, your room key card has been programmed for your exclusive use. Since the key card does not display your room number, we also suggest you carry your key packet separately.

SECURITY OF VALUABLES
Please do not leave money or valuables in your room. An in-room safe has been provided for the storage of your valuables. Safety deposit boxes have been provided at our Front Desk at no charge. State laws limit the liability of the hotel for the loss or damage of personal property.

INSECTS
As in any tropical climate, insects will make themselves known. Please keep your patio doors closed—especially at night. Should you find one of these unwelcome guests, call our housekeeping department.

FIRE
Please familiarize yourself with the location of hallway fire exits, alarms and extinguishers. In the unlikely event of a fire, dial Extension 55 and follow these basic procedures until otherwise directed by the hotel staff or fire department.

If an alarm is sounded or you are awakened by smoke or noise:
1. Test your door for heat and smoke before exiting.
2. Take your key card. It ready available.
3. If the hallway is clear, exit by nearest stairwell.
4. Do not use the elevator.

Should the door be warm or the hallway impassable:
1. Place wet towels at the base of door.
2. Dial Extension 55, giving your name and the room number.
3. Turn off the air conditioner or heater to keep smoke from entering the room.
4. Stay low and avoid inhaling smoke.

CHECK OUT TIME IS 11:00 a.m.
- Incidental fees may be incurred if the guest select to use in-room movies or other services.
- For telephone access fees, please refer to the Telephone Guide for details.
- During special events, a multiple day minimum stay may be required.

NOTICE TO GUESTS

WELCOME TO THE HYATT REGENCY GRAND CYPRESS
We are concerned with your personal safety and the security of your
property. Please familiarize yourself with the following suggestions and
information. More information is available at the Front Desk.

DOORS
The hotel has provided your room with a night latch and a dead bolt lock.
We suggest fastening the safety device and double locking your door
when you are in your room.

KEYS
For added security, your room key card has been programmed for your
exclusive use. Since the key card does not display your room number, we
also suggest you carry your key packet separately.

SECURITY OF VALUABLES
Please do not leave money or valuables in your room. An in-room safe
has been provided for the storage of your valuables. Safety deposit boxes
have been provided at our Front Desk at no charge. State laws limit the
liability of the hotel for the loss or damage of personal property.

INSECTS
As in any tropical climate, insects will make themselves known. Please
keep your patio doors closed - especially at night. Should you find one of
these unwelcome guests, call our housekeeping department.

FIRE
Please familiarize yourself with the location of hallway fire exits, alarms
and extinguishers. In the unlikely event of a fire, dial Extension 55 and
follow these basic procedures until otherwise directed by the hotel staff or
fire department.

If an alarm is sounded or you are awakened by smoke or noise:
1. Test your door for heat and smoke before exiting.
2. Take your key card, if readily available.
3. If the hallway is clear, and by nearest stairwell.
4. Do not use the elevator.

Should the door be warm or the hallway impassable:
1. Place wet towels at the base of door.
2. Dial Extension 55, giving your name and the room number.
3. Turn off the air conditioner or heater to keep smoke from entering the
